

How to donate seeds

The library accepts open-pollinated or heirloom seeds that you collected or that are commercially packaged.

- Please be sure donated seeds are clean of extra plant material, dry and mold free.
- We cannot accept GMO or patented seeds.
- Fill out the information on the other side of this form.
- Place your clean and dry seeds in one of the available plastic bags with this completed form.
- Put the sealed bag with the form in the seed donation box.
- Find more information and resources at: WashCoLib.org/Seeds
